

Attention All Father Figures of Silver Mesa Elem Students!!!

‘Donuts with D.O.G.S.’ Event

Fathers and Father-figures,

On ***Feb 3rd*** from ***7:00–8:00 am*** we will have our ***#1*** annual ‘Donuts with D.O.G.S.’ Event at our school. You and your student(s) will meet here at the school gym at 7:00am for ***FREE*** donuts and drinks. Throughout the hour, we will have a presentation about how our Silver Mesa **WATCH D.O.G.S.® (Dads Of Great Students) Program** is doing. **WATCH D.O.G.S.®** is an innovative program being used by schools across America which helps them to be positively impacted by the committed involvement of fathers and father-figures in their student’s life. The goal is to have you spend at least one day this year at the school to be a positive male role model and provide an extra set of eyes and ears.

‘Dads, granddads, uncles, step-dads and adult brothers . . . this is your chance to have some special time with your student in a fun atmosphere at school.

In order to participate, you need to do two things:
